**Q: How can I purchase insurance for my trip?**

A: Travel insurance helps you book your vacation with one less worry. Check to see if your credit card provider offers this service. We recommend booking your insurance through Travelex Insurance Services, a leader in providing quality travel insurance with over 55 years of protecting travelers. We advise purchasing travel insurance at the same time that you book your trip, since most travel insurances have time-sensitive coverage.

A: Some of our trips include land and air packages. Other trips allow more flexibility by booking your own flights.
